I consent to allow my dog(s) to play with other dog(s) in a common area in group situations and acknowledge the possibility that physical injuries could result, such as scratches, cuts, tooth marks, bruising, pulled muscles, broken toe nails, pet bites, sore or injured pads, or contracting communicable diseases from other dogs. Daycare Guardian Agreement

AGE: All dogs must be at least 4 months of age or older to enroll.

SEX: All dogs 7 months or older must be spayed or neutered. If they are not, private daycare is an option. Intact males and females over 7 months of age pose a risk of unwanted pregnancy, although in some cases pregnancy has been known to occur in females under 7 months of age. Both intact male and female dogs can disrupt a peaceful play environment due to aggressive play, humping, dominant behavior or being targeted by other dogs who smell their hormones and feel threatened and potentially lash out. Intact females can also cause fighting among competitive suitors. It is for these reasons listed above that Cedar Dale Pet Resort doesn't allow dogs under the age of 7 months to participate in daycare. The safety of our dogs under our care is our top priority, therefore we do not wish to potentially increase the chances of a dog fight by allowing dogs to participate over 7 months of age.

VACCINATIONS: All dogs must have written proof of current vaccinations for Rabies, distemper/parvo, and Bordetella. (Rabies vaccination required for all dogs over 4 months of age.) Proof of titers is also accepted.
